

To the Director of Chongqing Opera House,

This is an official statement from Adams Musical Instruments, based in the Netherlands. Thank you for your interest in our products.

To ensure that customers around the world can fully enjoy the quality and service Adams stands for, we strictly enforce our Authorized Distributor Direct Sales Policy: only officially appointed distributors are permitted to sell Adams products directly to end users. These distributors are prohibited from sublicensing or authorizing any third-party resellers. Each distributor is selected through a rigorous vetting and approval process conducted by Adams.

In China, Beijing Jianli Splendor Trading Group Co., Ltd. is our sole authorized distributor. We have worked with them for over 25 years and consider them a highly trustworthy and professional partner. Their team consists of experienced percussionists, ensuring both musical and technical expertise. They hold exclusive rights for all Adams-related business in China, including product sales, after-sales service, and customer support.

Please be aware that any product bearing the Adams logo sold through unauthorized channels in China is not recognized by Adams as a genuine Adams product. Such items are not covered by our quality guarantee or after-sales service, and Adams Musical Instruments cannot be held liable for any resulting customer losses. Moreover, Adams reserves the right to pursue legal action against any party causing damage to our brand. It has come to our attention that Chongqing Valane Trading Co., Ltd. intends to sell Adams timpani to your organization. We hereby formally state the following:
